Ghana — Kindergarten (KG 1 and KG 2) AGES 3 TO 6

Liberty Education's preschool curriculum, mapped at strand level to the **NaCCA Kindergarten Curriculum (KG 1 & 2), September 2019**, and to the **Ghana Education Service National Early Learning and Development Standards (ELDS) for Children in Kindergarten 1 and 2, 2016**. This is a subject-by-subject alignment prepared for school leaders, not an accreditation or an endorsement by NaCCA, GES or the Ministry of Education.

1 · MAPPING TO THE FOUR KG LEARNING AREAS

GHANA KG LEARNING AREA	LIBERTY COMPONENT	COVERAGE	WHAT IS ACTUALLY MAPPED
Language and Literacy	Preschool Phonics (Nursery, Preschool, Kindergarten)	DIRECT	Letter recognition and naming; letter sounds; uppercase/lowercase matching; beginning-sound discrimination; oral vocabulary and sentence use; letter formation and handwriting; alphabet sequence; rhyme and word families; early word reading and comprehension (KG).
Numeracy (Mathematics)	Preschool Mathematics (Nursery, Preschool, Kindergarten)	DIRECT	Number sense and counting; quantity and one-to-one correspondence; number names and representation; comparison and ordering; shapes and space; sorting and classification; patterns; measurement; ordinal numbers, time and money (KG); mathematical language and reasoning.
Our World Our People	Integrated Learning (thematic units)	PARTIAL	Covered through thematic connections — family, community, environment, animals and plants, and STEAM investigation. Liberty does not publish a standalone OWOP course; schools teach these themes through their own provision or alongside our units.
Creative Arts	Delivered through pedagogy, not as a separate subject	PARTIAL	Art and craft, music, movement, dramatic play and construction appear inside Teacher Guide lessons as the vehicle for concepts. There is no discrete Creative Arts syllabus.

2 · MAPPING TO THE EIGHT ELDS STANDARDS (GES, 2016)

1 · Health & physical development
Gross-motor activities, action songs, movement games, fine-motor control through tracing and manipulation. *Partial — no health or nutrition content.*

2 · Social & emotional development
Turn-taking, sharing, group discussion and cooperative center work built into lesson structure. *Partial — not assessed.*

3 · Creativity
Art, craft, construction, collage, music, movement and dramatic play within lessons. *Partial.*

4 · Language & literacy
Listening, speaking, vocabulary, phonological awareness, letter knowledge, writing and early reading. *Direct.*

5 · Logic & reasoning
Classification, sequencing, comparison, pattern recognition, problem solving and mathematical reasoning. *Direct.*

6 · Mathematics
Number, quantity, shape and space, measurement, patterns and early operations through 0–20. *Direct.*

7 · Science
STEAM exploration — objects, animals, plants, materials, measurement and real-world phenomena. *Partial — no discrete science syllabus.*

8 · Religious & moral development
Not addressed. Left deliberately to the school's own provision and community context.

Status notes. NaCCA announced a review of the KG to Primary 6 curriculum in April 2026. This statement is aligned to the 2019 KG curriculum and will be reissued when the reviewed curriculum is published. Coverage ratings are ours and are deliberately conservative: *Direct* means taught and practiced in our materials; *Partial* means present but not a dedicated course; *Not addressed* means the school must supply it.
